### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Paul Greeley on 06/11/2004.

The application has been amended as follows:

Claim 6, line 2, change "the first coupling element" to -- a first coupling element --

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

Prior arts of record do not disclose a device for measuring or checking components of optical network. The device comprises: a first connector element accommodating a complementary second connector element, said complementary second connector element being attachable to an optical coupling, wherein first connector element is connected to a first end of a tube-shaped connection element, said tube-shaped connection element being connected to an optical port with a second end, said second end being opposite said first end, said tube-shaped connection element being reversibly three-dimensional bendable as disclosed in claims 1,12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tu T. Nguyen whose telephone number is (571) 272-2424. The examiner can normally be reached on T-F 7:30-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Frank G Font can be reached on (571) 272-2415. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
